The issuer believes th	nat, at the time of its issuance and based on transparency data made publicly av	ailable by the issuer, these covered bonds would satisfy the eligibility criteria for A	Article 14(2) of the Covered Bond Directive (EU) 2019/2162	2. It should be noted, however, that	

whether or not exposures in the form of covered bonds are eligible to preferential treatment under Regulation (EU) 575/2013 is ultimately a matter to be determined by a relevant investor institution and its relevant supervisory authority and the issuer does not accept any responsibility in this regard.
