Amendment of Articles 5 and 29 and removal of Article 30 of the Articles of Association. Pertinent and consequent resolutions.**

Shareholders:

- approved the mandatory conversion of the outstanding savings shares – following the cancellation of 61 savings shares by an authorised intermediary, with the reduction of said shares to no. 932,490,500 – into no 969,790,120 ordinary shares of the Company, the latter to consist in newly issued shares, with regular economic rights and having the same features of the ordinary shares outstanding at the date of the conversion, at a conversion ratio, equal to no. 1.04 ordinary shares for each savings share with concurrent removal of the indication of the nominal value of all of the shares of Intesa Sanpaolo S.p.A. outstanding as at the relative date of effectiveness of the conversion, pursuant to Articles 2328 and 2346 of the Italian Civil Code, so that the corporate share capital remains unchanged and divided into only ordinary shares;

 - (ii) the authorisations of the European Central Bank required under the current legal and regulatory framework, for the purposes of the amendments to the Articles of Association, the inclusion of the ordinary shares that are issued in connection with the conversion in the CET 1 and the possible purchase by the Company of own shares at the end of the liquidation procedure relating to withdrawing shareholders; and

- (iii) the amount owed to those who elect to exercise the withdrawal right not exceeding €400 million at the end of the pre-emption and pre-emptive rights offering period concerning any offer to the Intesa Sanpaolo shareholders of the shares held by the withdrawing savings shareholders pursuant to Article 2437-*quater*, paragraphs 1 and 2 of the Italian Civil Code;
- approved the amendment to Articles 5, with sole regard to paragraph 5.1, and 29 of the Company's Articles of Association;
 - granted powers and mandate to the Board of Directors and to the Chairman of the Board of Directors and the Chief Executive Officer, severally and with full power to sub delegate, to carry out all actions deemed necessary or appropriate to fully implement the above resolutions, including without limitation, (i) to define any additional terms and conditions of the Mandatory Conversion, including, *inter alia*, the date on which such conversion will be effective upon agreement with Borsa Italiana S.p.A., which must fall after the ex-right date of dividends relating to the financial year ended 31 December 2017; (ii) to define the terms and conditions of the procedure relating to the exercise of the right of withdrawal to which savings shareholders are entitled pursuant to Article 2437, paragraph 1, letter g) of the Italian Civil Code; (iii) to carry out the liquidation process of the savings shares which are the subject matter of the withdrawal process, also purchasing if necessary such shares using the available reserves; and (iv) to carry out any other formality and actions in relation to the overall number of outstanding shares as at the date of effectiveness of the conversion and to obtain the necessary authorisations for the above resolutions and, generally, any other authorisation to fully implement the resolutions, together with any necessary power thereof, with no exclusion and exemption, including the power to fulfil any requests made by the relevant Supervisory Authorities as well as to proceed with the deposit and the registration with the Company Register of the updated Articles of Association with the approved amendments thereto;
 - authorised the Board of Directors to sell the Company's own shares that may be bought as a consequence of rights of withdrawal being exercised, at the end of the liquidation process pursuant to Article 2437-*quater* of the Italian Civil Code, without limitation, for a consideration which shall not be lower than the share reference price on the trading day preceding each sale with a 10% discount, specifying that the disposal may be carried out on the market or off the market, as spot and/or forward transactions.

2. Item 2 on the agenda: **Mandate to the Board of Directors to increase the share capital pursuant to Article 2443, as well as Article 2349, paragraph 1, and Article 2441, paragraph 8 of the Italian Civil Code for the purposes of implementing the 2018-2021 LECOIP 2.0 Long-term Incentive Plan based on financial instruments, referred to under item 3f) of the ordinary part, and consequent amendment of Article 5 (Share Capital) of the Articles of Association.**

The Shareholders granted powers, pursuant to Article 2443 of the Italian Civil Code, to the Board of Directors of Intesa Sanpaolo to carry out:

- a share capital increase without payment, in one or more tranches, by 27 October 2019, pursuant to Article 2349, paragraph 1 of the Italian Civil Code, for a maximum amount of €400,000,000 (inclusive of share premium) with the issuance of up to 170,000,000 ordinary shares of Intesa Sanpaolo;
- a share capital increase with payment, in one or more tranches, by 27 October 2019, for a maximum amount of €1,200,000,000 (inclusive of share premium, and net of discount), excluding option rights in favour of the employees of the Intesa Sanpaolo Group, pursuant to Article 2441, paragraph 8 of the Italian Civil Code, with the issuance of up to 555,000,000 ordinary shares of Intesa Sanpaolo. The share issue price will be inclusive of a discount from the market price of ordinary shares of Intesa Sanpaolo, calculated as the average of market prices observable in the 30-day period immediately prior to the issue date.

The determination of the maximum number of ordinary shares to be issued shall depend on the issue price, which shall be determined by the Board of Directors. Assuming all employees adhere to the Professional Plan and the Manager Plan, the two share capital increases would have a dilutive effect of 3.5% on the ordinary share capital of Intesa Sanpaolo on the assumption that the share price is €3, and of 4.4% on the assumption that the maximum amount of shares per the Shareholders' Meeting resolution is issued in a stress scenario at an price of €2.4. Assuming, in addition, that all savings shares are converted into ordinary shares, the dilutive effect would be equal to around 4.1% of the total share capital post-conversion of the savings shares.

As regards the amendments to the Articles of Association approved at the Shareholders' Meeting, the European Central Bank has already released the verification, required under Article 56 of Legislative Decree 385/1993, that is needed to start procedures for entry in the Company Register.

The Special Meeting of Savings Shareholders, which followed the Meeting of Ordinary Shareholders, resolved on the only item on the agenda, in accordance with Article 146, paragraph 1, letter b) of Legislative Decree no. 58 of 24 February 1998, and approved, to the extent of its responsibility, the resolution passed in the extraordinary session, item 1 on the agenda, of the Meeting of Ordinary Shareholders, as reported above.
