Milan/Turin, 12 November 2024 - The 31st ASSIOM FOREX Congress will be held on 14 and 15 February 2025 at the Lingotto Congress Centre in Turin. The event will see Intesa Sanpaolo as Main Sponsor, supporting the organisation of opportunities for discussion and debate addressing the topics of greatest interest for the Italian banking and financial sector.

This year, too, there will be no shortage of in-depth coverage of matters related to competitiveness and capital market developments, with a focus on opportunities and challenges for European growth.

"We are confident that the Congress will represent an important opportunity for discussion, amidst a context marked by the start of the normalisation cycle of monetary policy, but also by growing geopolitical tensions and the urgent need to relaunch sustainable economic growth. It will be a great honour for us to host, as we do every year, the **Governor of the Bank of Italy, Fabio Panetta**, on the morning of Saturday 15 February", said **Massimo Mocio, Chairman of ASSIOM FOREX**.

The positive experience of the last editions also suggested maintaining the online usability much appreciated by Members for all the events on the agenda, including the afternoon round table on Friday 14 February, as well as conferences and webinars organised by ASSIOM FOREX committees and participating companies.

Following the close of the Congress, the Members' Meeting will be held on the afternoon of 15 February for the renewal of the Board, which will remain in office until 2028. The following morning, the 27 newly elected members will choose the names of those who will hold the associative offices of the Chairmanship for the next three years. Chairman, Deputy Chairmen, Secretary and Treasurer will be elected.
