

Graduates Survey: Intesa Sanpaolo receives recognition for the fourth year running as one of the ideal work places

The results of the annual research "Recent Graduate Survey, commissioned by Cesop Communication, confirms our bank among the most desired jobs for graduates.

Every year since 2002, the Recent Graduate Survey analyzes the expectations of new graduates in the labour market, their preferences and goals towards companies. The survey acts as a permanent statistical observatory on the evolution of the graduates' opinions and the companies image. 153 companies were reviewed with the aim of analyzing the firm as the best work place (Best Employer of Choice).
