INTRODUCTION

These Regulations set out the rules of Regulation (EU) no. 596 of 16 April 2014 relating to market abuses (so-called MAR) regarding the **legal reporting requirements** for the relevant persons and Persons closely associated with them pertaining to the execution of transactions on financial instruments of the issuer and **prohibitions on carrying out transactions** in certain periods of the year (so-called blocking period).

The Regulations apply to the group companies (the **Companies**) that:

- have requested or authorised the admission of their financial instruments - shares and debt securities - to trading in a regulated market in an EU Member State;
- have requested or authorised the admission of their financial instruments to trading in a Multilateral Trading Facility (MTF);
- have authorised the trading of their financial instruments on an Organised Trading Facility (OTF);
- participate in the emission allowance market.

The Regulations identify:

- the “**Relevant Persons**” (so-called Internal dealers) and the “**Persons closely associated with them**”, defining their conduct and disclosure obligations;
- the Person in charge of receiving, managing and disclosing the information (“**Person in charge**”);
- the procedure to fulfil the set obligations.

The disclosing obligations provided in these Regulations are also applied in the event a subject comes to hold shares in an amount at least equal to 10% of the share capital of Intesa Sanpaolo or comes to control Intesa Sanpaolo (so-called “Relevant Shareholders TUF”) ¹ .

The Regulations are also a summarising and disclosing tool for the Relevant Persons with regard to the obligations imposed by European and national provisions, notwithstanding the need for extensive and thorough knowledge of the applicable provisions, to which express reference is made, also in view of the system of sanctions in force.

¹ Cfr. art. 114.7 Legislative Decree n. 58/1998 (TUF) and art. 152- quinquies.1 and following articles of the Regulation adopted by Consob with decision n. 11971/1999 and subsequent amendments (Regolamento Emittenti)
